SOWING GOD'S WORD: SHARING FAITH, NUTURING DISCIPLESHIP

Catechesis is firmly rooted within the mission of the Church and is an "essential and remarkable" moment within the process of evangelization (GDC#63). What do these words mean to each of us as participants in the mission of the Church? This course explains the major documents and principles of catechesis and evangelization, reflects on the vocation of the catechist, and explores the ministry of catechesis with adults, adolescents, and children, and for initiation. This course is normally taken as a prerequisite for the methods courses for adults (Ready Your Hearts), adolescents (Forming Youth as Disciples), or children (Elementary Catechesis: Forming Children as Disciples).
