COMPREHENSIVE YOUTH MINISTRY

YOUTH MINISTRY GOALS AND COMPONENTS

Addressing the challenge of the Catholic community to develop effective youth ministry, to respond to the needs of young people, and to involve young people in sharing their unique gifts with the larger community, *Renewing the Vision: A Framework for Catholic Youth Ministry* states:

“Three interdependent and equally important goals guide the Church’s ministry with adolescents... They express the Church’s focus for ministry with adolescents, while encouraging local creativity in developing the programs, activities, and strategies to reach these goals” (*RTV, p.9*).

- A. Goal 1: To empower young people to live as disciples of Jesus Christ in our world today.
- B. Goal 2: To draw young people to responsible participation in the life, mission, and work of the Catholic faith community.
- C. Goal 3: To foster the total personal spiritual growth of each young person.

The focus of a comprehensive youth ministry program should be the attainment of the above goals as implemented by the following components of youth ministry, which parallel the ministries of the Church:

The Ministry of Advocacy

“The ministry of advocacy engages the Church to examine its priorities and practices to determine how well young people are integrated into the life, mission, and work of the Catholic community... We call upon all ministry leaders and faith communities to use the resources of our faith community ...and the opportunities of this democracy to shape a society more respectful of the life, dignity, and right of adolescents and their families” (*RTV, p. 27*).

The Ministry of Catechesis

“The heart of catechesis is the explicit proposal of Christ to the young man in the Gospel (*Mt 19:16-22*); it is a direct proposal to all young people in terms appropriate to young people, and with considered understanding of their problems” (*GDC, #183*). “Genuine faith is a total response of the whole person-mind, heart and will. The ministry of catechesis fosters growth in Catholic faith in all three dimensions- trusting (heart), knowing and believing (mind), and doing (will)” (*RTV, p. 29*).

The Ministry of Community Life

To teach compassion, generosity, tolerance, peace, forgiveness, acceptance, and love as gospel values and to identify ourselves as Christians requires us to live these values in our interactions with young people and in our community life...The ministry of community life is not only *what* we do (activity), but *who* we are (identity) and *how* we interact (relationships)” (RTV, p. 34).

The Ministry of Evangelization

“First of all, evangelization is the *initial* effort by the faith community as a whole to proclaim through word and witness the Good News of the Gospel to those who have not yet heard or seen it, and then to invite those persons into a relationship with Jesus Christ and the community of believers. Second, evangelization is the *ongoing* witness of the faith community as it attempts to live out the Gospel with such authenticity that the faith of all the members is sustained and nourished” (*Witnesses and Storytellers*, p. 3). “The starting point for youth evangelization is our recognition of the presence of God already in young people to uncover and name the experience of a God already active and present in their lives” (*Witnesses and Storytellers*, p. 7).

The Ministry of Justice and Service

“...because he has anointed me to bring glad tidings to the poor. He has sent me to proclaim liberty to captives and recovery of sight to the blind, to let the oppressed go free, ...”(Lk 4:18) “We need to ...ensure that every Catholic understands how the Gospel and church teaching call us to choose life, to serve the least among us, to hunger and thirst for justice, and to be peacemakers” (*Sharing Catholic Social Teaching*, p. 3).

The Ministry of Leadership Development

“The ministry of leadership development *calls forth, affirms, and empowers* the diverse gifts, talents, and abilities of adults and young people in our faith communities for comprehensive ministry with adolescents...Leaders must be trained and encouraged...(and)...involve(s) a wide diversity of adult *and* youth leaders in a variety of roles” (RTV, p. 40).

The Ministry of Pastoral Care

“The ministry of pastoral care is a compassionate presence in imitation of Jesus’ care of people...The ministry of Pastoral Care involves promoting positive adolescent and family development through a variety of positive (preventive) strategies; caring for adolescents and families in crisis through support, counseling, and referral to appropriate community agencies; providing guidance as young people face life decisions and make moral choices; and challenging systems that are obstacles to positive development (advocacy)” (RTV, p. 42).

The Ministry of Prayer and Worship

“The liturgy is the summit to which the activity of the church is directed; at the same time it is the font from which all the Church’s power flows” (*Constitution of the Sacred Liturgy, #10*). The ministry of prayer and worship “...is to encourage and support youth involvement in the Christian lifestyle, in the liturgical ministries, and in the assembly. Such involvement is young peoples’ *right and duty by reason of their baptism*” (*From Age to Age, #11*).
